

Mountain Air

A LIFETIME OF ADVENTURE

Of course it's beautiful up here this time of year. But the Blue Ridge Mountains of Western North Carolina offer a year round calendar of adventure and discoveries. Skiing in the winter. Paddling in the spring. Festivals in the summer. And a tapestry of color every fall. And owning a home in the destination mountain community of Mountain Air allows you to enjoy the mountains 12 months out of the year.

CUSTOM HOMES, HOMESITES & CONDOMINIUMS
